

St. Anthony Park Community Workshop

October 20, 2015

LOCATION CHANGE!!!

Location: St. Anthony Park Methodist Church
 2200 Hillside Avenue
 Fellowship Hall

Time: 6:30 P.M.

Ecumen is continuing our interactive workshops with the St. Anthony Park community for additional feedback on development plans at Luther Place and Como Avenue.

A number of Ecumen development team members will be on hand to field questions, receive feedback, show preliminary site plans and discuss timing and next steps.

Ecumen's goal is to gain strong neighborhood support for our work. To do this, we know we must fully understand neighborhood priorities and concerns.

We welcome comments at any time by emailing us at: sap@ecumen.org.
